Paper Title:

We, the undersigned authors of the above-mentioned manuscript submitted to EAMCON 2026 and considered for publication in the Taylor & Francis conference proceedings/publication, hereby declare and undertake that:

1. We confirm that all listed authors have made substantial intellectual contributions to the conception, design, execution, analysis, writing, and/or revision of the manuscript and meet the accepted criteria for authorship.
2. We affirm that the authorship information provided in the manuscript is accurate and that no individual who has not contributed significantly to the work has been included as an author.
3. We declare that none of the authors has purchased, sold, transferred, exchanged, or otherwise obtained authorship through any financial or non-financial consideration.
4. We further declare that no author has participated as a ghost author, guest author, gift author, or honorary author, and that no payment or compensation has been made or received for obtaining authorship in this manuscript.
5. We understand that any form of authorship manipulation, including the purchase or sale of authorship, ghostwriting, guest authorship, or any other unethical publication practice, constitutes a serious violation of academic and publication ethics.
6. We agree that if any violation of the above declarations is discovered at any stage before or after publication, the manuscript and/or published paper may be withdrawn or retracted without prior notice.
7. We accept full responsibility and liability for any consequences arising from false declarations, unethical authorship practices, or publication misconduct associated with this manuscript.
8. We acknowledge and agree that EAMCON 2026, the Publisher (Taylor & Francis), and associated editorial bodies reserve the right to:
